Kratek predmeta razpisa:	opis	<p>Evropska Komisija je 27. 1. 2022 objavila javni razpis za sofinanciranje priključitve organizacij iz držav, ki zaostajajo na področju raziskav, razvoja in inovacij (t.i. widening države) k izbranim projektom stebra 2 in stebra 3 (EIC Iskalec). Gre za t.i. "hop on" shemo, ki daje možnost sofinanciranja vključevanja dodatnih partnerjev, tudi iz Slovenije, v že izbrane projekte, ki so sofinancirani iz sredstev Obzorja Evropa.</p> <p>Javni razpis je namenjen krepitvi raziskovalne odličnosti v tako imenovanih "widening državah", prepoznavnosti sodelujočih, izboljšanju prenosa znanja, odpiranju zaprtih silosov obstoječih konzorcijev ter pridobivanju novih znanj in spretnosti za delo na mednarodnih projektih institucij iz tako imenovanih "widening držav".</p> <p>Na spletni strani EU Funding and Tenders portal najdete več informacij o javnem razpisu in pogojih za sodelovanje (v angleščini).</p>
Višina razpoložljivih sredstev:	Javni razpis se bo v letu 2022 izvedel z več odpiranji. Za vsa odpiranja v letu 2022 namenjenih 40 milijonov evrov, indikativno za prvo odpiranje 20 milijonov evrov.	
Maksimalna višina sofinanciranja:	Pričakuje se sofinanciranje v višini od 200.000 evrov do 500.000 evrov, pri čemer so ta sredstva namenjena v celoti za stroške novega partnerja, razen 10% pristojbine za koordinacijo, ki jo lahko prejme koordinator.	
Ciljne skupine oz. potencialni upravičenci:	Gre za ti. RIA aktivnost, saj gre za vključitev novega partnerja k obstoječim izbranim konzorcijem, ki imajo podpisane pogodbe o sofinanciranju v okviru stebra 2 in stebra 3 (EIC Iskalec) in v projektu nimajo nobenega partnerja iz nobene izmed držav, ki zaostajajo na področju raziskav, razvoja in inovacij, kot so definirane v Delovnem programu WIDERA in v okviru posebnih pogojev javnega razpisa.	

1.4 EIC Accelerator

Kratek opis predmeta razpisa:	<p>The EIC Accelerator focuses in particular on innovations, building on scientific discovery or technological breakthroughs ('deep tech') and where significant funding is needed over a long timeframe before returns can be generated ('patient capital'). Such innovations often struggle to attract financing because the risks and time period involved are too high. Funding and support from the EIC Accelerator is designed to enable such innovators to attract the full investment amounts needed for scale up in a shorter timeframe.</p> <p>The EIC Accelerator supports the later stages of technology development as well as scale up. The technology component of your innovation must therefore have been tested and validated in a laboratory or other relevant environment (e.g. at least Technology Readiness Level 5/6 or higher and have fully completed Technology Readiness Level 4). The EIC Accelerator looks to support companies where the EIC support will act as a catalyst to crowd in other investors necessary for the scale up of the innovation.</p> <ul style="list-style-type: none"> • <u>EIC Accelerator Challenge: Technologies for 'Fit for 55'</u> • <u>EIC Accelerator Open</u> • <u>EIC Accelerator Challenge: Technologies for Open Strategic Autonomy</u>

Kratek opis predmeta razpisa:	<p>The aim of pilot activity grants is to support actions which address young people's needs or challenges at a local level. The actions have a clear link to the local context and address the focus themes for pilot activities, as set out by the Joint Council on Youth.</p> <p>These activities should be based on innovation or on replication of good practice, have a clear youth work dimension and be based on non-formal education principles. The link between the action and the envisioned impact on the community should be clearly thought out.</p> <p>Pilot Activities are flexible in their format and may utilise a range of approaches, such as training sessions, meetings with experts, local workshops, local actions, visits, campaigns, workshops in schools, festivals etc. An essential feature of a pilot activity is the educational element - the EYF supports education projects, using a non-formal approach.</p> <p>The pilot activity can be :</p> <ul style="list-style-type: none"> An awareness raising activity: participants are informed or educated about a topic or an issue, with the intention of influencing their attitudes, behaviours, solutions or responses in their local context. At the end of the activity they can say "I have learned this" or "I am aware of that". A Skills development activity: participants develop skills to address identified needs. At the end of the activity they can say: "I can do this" or "I have the ability to do that". Collaborative work: participants' skills and knowledge serve as a basis to build and develop an outcome (for example a campaign, guidelines, recommendations etc.) and at the end they can say "I have contributed to the development of this or that".

Kratek opis predmeta razpisa:	<p>The Minor Foundation for Major Challenges (MFMC) is a Norwegian foundation that supports communication projects which advance the transition to a low carbon economy.</p> <p>MFMC supports projects that support urgent, large-scale transformation, with a focus on changing policies and practices in public or private institutions. The foundation's priorities for the 2019-2023 period are to</p> <ul style="list-style-type: none"> – encourage and support innovation in climate communication – increase the number of voices and narratives in climate advocacy – help strengthen social and political movements that open up for radical change – concentrate on supporting European proposals. <p>MFMC traditionally announces six calls for applications every year, in two different categories: large and small grants.</p> <ul style="list-style-type: none"> • LARGE GRANTS In this category, MFMC is looking for projects typically in the range of EUR 20,000 to EUR 200,000, although larger projects may be considered. The application process consists of two steps, where interested organizations are asked to initially submit a short pitch. Based on this, the organization may be invited to submit a full application if the MFMC board finds the project appealing. • SMALL GRANTS In this category, it is possible to apply for smaller grants of up to EUR 10,000 in a simplified one-stage process. Applications will be assessed by the MFMC board based on its aims and strategy.
