Vir objave:	https://www.espon.eu/call-tenders-espon-cultural-heritage-source-societal-well-being-european-regions	
Kratek opisa predmeta razpisa:	<p>The ESPON EGTC is launching a competitive dialogue called “Cultural Heritage as a Source of Societal Well-being in European Regions” in order to develop and improve the ESPON knowledge base and with that enhance the European territorial evidence production in the framework of the ESPON 2020 Programme, under Specific Objective 1.</p> <p>Cultural heritage is a resource that can trigger economic, social and environmental benefits to society. European cultural heritage benefits from a range of EU policies, programmes and funding. Cohesion policy is investing in culture through the preservation and promotion of heritage, as well as by supporting cultural and creative sectors. Despite this, there is still insufficient information on the effect that investments have on territories.</p> <p>At the same time there is a growing demand for going beyond impact on growth and jobs and look into more wider impacts on society. For instance, recent research suggests that cultural heritage attracts highly skilled workers and thus improves the overall quality of life in terms places becoming more innovative in their governance solutions and productivity.</p> <p>The competitive dialogue should define a solution to establish European territorial evidence on the impact of cultural heritage and associated investments on society, considering the quality of life and other aspects.</p>	
Višina razpoložljivih sredstev:	The maximum available budget for this contract is 850.000 EUR (eight hundred and fifty thousand Euros), exclusive of VAT but inclusive of all other taxes, disbursements, travel, accommodation, and delivery costs.	
Maksimalna višina sofinanciranja:		
Ciljne skupine oz. potencialni upravičenci:	<p>Additional information on the procedure:</p> <p>This is a competitive dialogue procedure. As a first step, interested economic operators have to submit a Request to participate in the form of a European Single Procurement Document (ESPD). The ESPON EGTC will then evaluate the Requests to participate on the basis of the exclusion and selection criteria and select up to 5 participants (based upon prior experience in the field) to the dialogue stage. Up to two dialogues based on input papers from the tenderers will then be held, followed by the submission and evaluation of final proposals.</p>	

1.6 COSME Programme Call for Proposals European Cluster Excellence Programme

Izdajatelj:	COSME programm

Kratek opisa predmeta razpisa:	<p>The overall objective of this call is to strengthen cluster management excellence and facilitate exchanges and strategic partnering between clusters and specialised eco-systems across Europe, including through implementing a new “ClustersXchange” pilot scheme. As high quality cluster management and strategic connections between clusters are key elements of world-class clusters, the call aims to foster SME competitiveness and assist companies to successfully access global markets by exploiting the innovation and growth potential that clusters can offer.</p> <p>The specific objective is to enhance the collaboration, networking and learning of cluster organisations and their members towards the profesionalisation of specialised and customised business support services provided or channelled to SMEs. This shall further contribute to strengthen ties between European ecosystems across regional and sectoral silos with the view to support a sustainable inter-regional partnering process and joint actions for strategic collaboration in various industrial specialisation areas linked to industrial modernisation and improving their business environment.</p> <p>The aim is to foster cluster excellence capacity-building and to promote cross-cluster learning in order to help cluster organisations and their members to acquire the necessary skills and take actions to explore and take up new solutions. This shall address training and business needs along the value chain that require SMEs and cluster managers to adapt to trends, challenges and opportunities that come along with industrial change. This shall also include the development of strategic approaches and plans for a better cooperation at regional, national and EU level to address innovation, growth and globalisation challenges that SMEs face.</p>	
Višina razpoložljivih sredstev:	The total budget earmarked for the co-financing of projects is estimated at EUR 3.600.000. This amount could be increased if additional budgetary appropriations are made available. EASME expects to fund up to twelve proposals.	
Maksimalna višina sofinanciranja:	The grant is limited to a maximum reimbursement rate of 75% of eligible costs, except for financial support to third parties. For financial support to third parties the maximum amount of 100% reimbursement rate can be applied. See section 12.2 for more details on specific funding conditions under this call for proposals.
